To Whom It May Concern:

This letter is my personal recommendation for Connor Sweeney. Connor worked for me on my commercial fishing vessel over the course of the 2020 lobster fishing season. I found him to be consistently pleasant, tackling all assignments with dedication and a smile.

Besides being an enthusiastic worker, Connor exhibited many attributes necessary for success in education and career. The demands of working on a commercial fishing boat are significant and at times we regularly work ten-hour days, beginning at 5:00 AM. Connor was reliably on time and worked rigorously each day. He paid careful attention to detail and "learned the ropes" quickly and easily. When not actually fishing, Connor dependably showed up at my workshop to complete the required gear work.

I highly recommend Connor for employment. He is a team player and would make a great asset to any educational institution or workplace environment.

Sincerely,

Tye F. Vecchione
